Plage et plus

A full-page photograph of two children on a sandy beach. On the left, a young girl in a white dress and sunglasses is digging with a green shovel. On the right, a young boy in a white shirt, blue shorts, and sunglasses is pouring sand from his hands. In the center, there are two sandcastles built with plastic blocks. The background shows the ocean and a blue sky with light clouds.

A vibrant photograph of two young girls playing in a pink inflatable pool. The girl on the left, with long brown hair, is wearing a bright pink swimsuit and is splashing water. The girl on the right, with blonde hair, is wearing a yellow swimsuit and has a joyful expression with her mouth open. The background is a lush green, out-of-focus garden. The text 'ZWEMBADEN' is prominently displayed in large, bold, pink letters, with the translations 'SWIMMING POOLS | SCHWIMMBÄDER | LES PISCINES' in smaller black text below it.

A vibrant photograph of three children running on a sandy beach under a clear blue sky. A boy in the foreground, wearing a white t-shirt, blue jeans, a white bucket hat, and sunglasses, is holding a large, colorful rainbow kite. To his right, a girl in a bright pink tank top and sunglasses is running with a joyful expression. Behind her, another child in a teal shirt is partially visible. The ocean waves are visible in the background.
